

MEDSCHOOLCOACH
helping you achieve your medical school dreams

ACHIEVE YOUR MEDICAL SCHOOL DREAMS

Personalized Coaching and Expert Tutoring on
Your Journey to Becoming a Physician

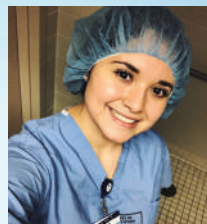

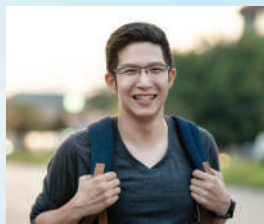

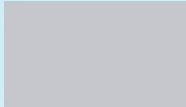

INTRODUCING

FUTURE

PHYSICIANS

Thousands of students have used MedSchoolCoach to guide them through their pre-med journey all the way to becoming a physician.

The MedSchoolCoach Difference

MedSchoolCoach focuses on just one thing – making you a physician. Whether you're a high school student exploring a future in medicine, a pre-med navigating the application process, or a medical student preparing for board exams, we've created an approach that supports your journey every step of the way.

From day one of your pre-med path through your final exam before residency, MedSchoolCoach offers personalized admissions consulting and expert tutoring for the MCAT and USMLE/COMLEX. Since 2007, we've helped aspiring physicians at every stage achieve their dreams.

Dr. Sahil Mehta

MedSchoolCoach Founder

EDUCATION

Undergraduate: B.S. Columbia University
Medical School: M.D. University of Chicago
Pritzker School of Medicine
Residency: BIDMC/Harvard University
Fellowship: MGH/Harvard University

When I founded MedSchoolCoach I had a sole purpose in mind: to help pre-meds become doctors. Through personal experience, I knew how important it was to skillfully navigate the pre-med process and succeed in the world's most competitive admissions process. Since then, we've helped thousands of students become physicians.

The ability to mentor students through the pre-med process, have them succeed on their MCAT or USMLE exams and match into the residency of their choice is incredibly gratifying and what we all strive for everyday at MedSchoolCoach. It's why we have been so successful.

Our Experts Guide Future Physicians

The MedSchoolCoach team goes above and beyond at every step of the process. Since our inception, our focus has been to assemble the absolute best team of physician advisors, MCAT, and USMLE/COMLEX tutors anywhere. Everyone at MedSchoolCoach is dedicated to the goal of making you a physician. Below, you'll meet some of the exceptional tutors and advisors who help make that possible.

Dr. Ken Tao
MCAT Program Creator

EXPERT MCAT TUTORS

EACH WITH
520+
MCAT SCORES

Dr. Tao holds a BS in Bioengineering and a BA in Molecular and Cell Biology from UC Berkeley, and a PhD from Harvard University. He is a nationally recognized MCAT tutor and heads the most elite tutoring team in the field.

Dr. Amar Mandalia
Director of Residency Advising

EXPERIENCED PHYSICIAN ADVISORS

EACH WITH MEDICAL
SCHOOL ADMISSIONS
COMMITTEE EXPERIENCE

Dr. Mandalia served on the University of Miami Admissions Committee and has guided hundreds of students to match at top programs. An expert advisor and accomplished medical writer, he leads the residency advising team at MedSchoolCoach with unmatched insight and proven results.

Dr. Jeanie Gribben
Director of Medical
School Tutoring

ELITE USMLE TUTORS

EACH WITH
250+
USMLE SCORES

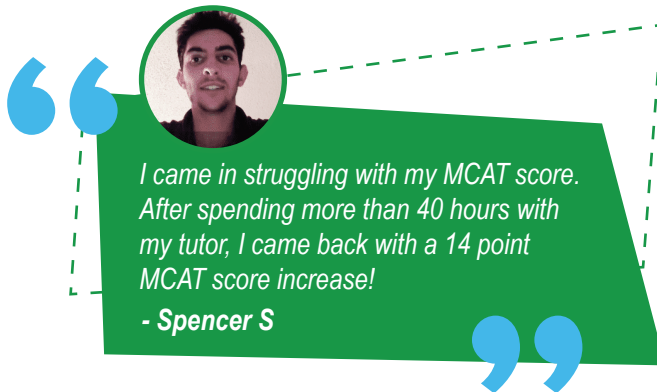

Dr. Gribben earned her MD from the Icahn School of Medicine at Mount Sinai and was a Merrill Presidential Scholar at Cornell. She leads our medical school tutoring team and supports students with personalized strategies for excelling on Step 1, Step 2, and medical school coursework.

The Medical School Journey

HIGH SCHOOL

We help students gain admission to their best-fit traditional premed or direct med program.

COLLEGE

Our physician advisors help students select the right coursework, build a strong extracurricular portfolio, and prepare effectively for the MCAT with expert tutoring, and apply to medical school.

I had an amazing experience with MedSchoolCoach. My coach was available whenever I needed him and offered great advice throughout the process. He has been invaluable whether it was essay editing, advice on where to apply, or the countless random questions I had. I cannot recommend the service highly enough.

- Emily W

POST COLLEGE

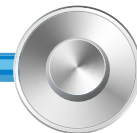

For non-traditional students, we provide guidance on strengthening their candidacy through post-bacc or graduate coursework, gap year planning, clinical experience, and strategic application optimization.

RESIDENCY & BEYOND

We help medical students match into top residency programs with expert advising on essays, interviews, and rank lists.

MEDICAL SCHOOL

In medical school, we help students excel on boards: From personalized exam tutoring to strategic career guidance, we support students in achieving top scores and advancing with confidence.

High School Coaching For Future Physicians

Get into the best college to launch your path to becoming a physician.

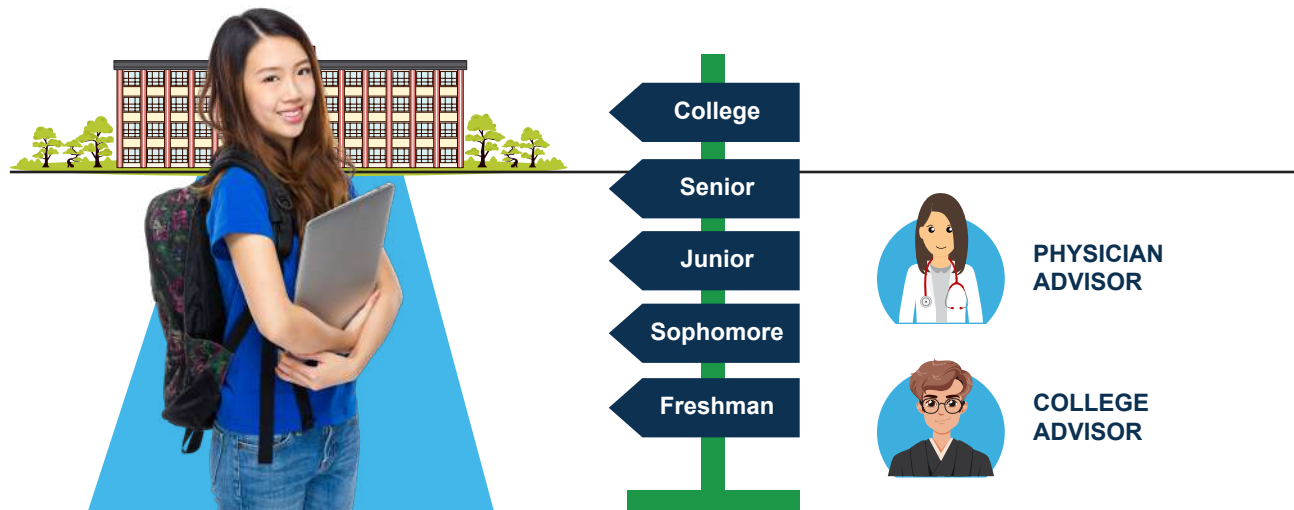

Pre-Med Coach provides high school students with comprehensive, step-by-step guidance throughout their entire high school career — so they build the strongest possible application for top colleges and BS/MD programs.

Start early. Build confidence. Get accepted.

How MedSchoolCoach Supports You:

- **College Advisor** – Plan courses, activities, summer programs, and your college list.
- **Physician Advisor** – Shape standout medical experiences and signature projects that set you apart.

Stand Out, Year by Year:

How It Works

1. **Sign Up & Get Matched** - Complete an intake form and meet your advising team.
2. **Build Your Roadmap** - Plan academics and activities year by year.
3. **Meet & Grow** - Regular sessions to track progress and build your standout profile.
4. **Apply Successfully** - Submit strong applications and ace interviews.

Program Benefits

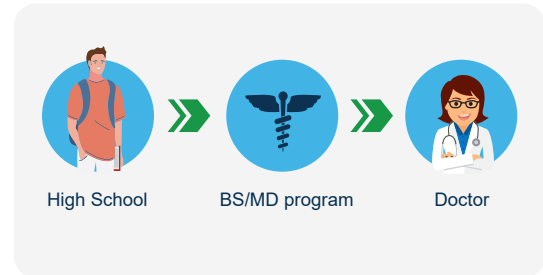

- | | |
|---|--|
|  Academic & course planning |  Passion project planning & support |
|  Leadership & volunteer strategy |  College & BS/MD essay help |
|  Research & clinical experiences |  Mock interviews & decision advice |

For Top Students Obtain BS/MD Advising

Only the highest-achieving students are accepted into BS/MD programs — and we work with some of the strongest candidates. Our experts provide personalized guidance from physicians and former admissions officers, supporting top performers through this highly competitive, accelerated path to medical school (BA/MD, BS/MD, BS/DO).

What's Included:

- Smart program selection to match your goals
- Complete application and essay editing
- Direct medical admissions coaching
- Mock interviews and post-submission guidance

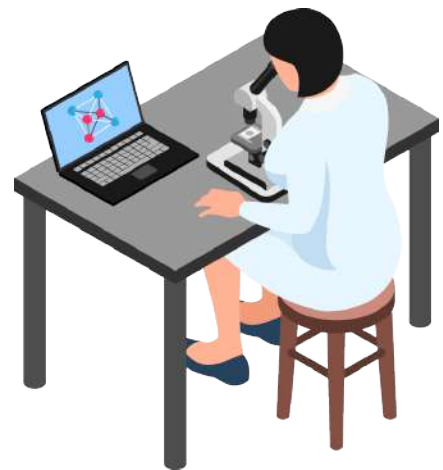

Achieve Results Worth Celebrating:

- 78% of our BS/MD candidates receive acceptance after interview coaching
- 92% of accepted students are admitted to their top-choice school

Turn Your Curiosity Into a College-Ready Research Project

Boost your college application with something truly unique. Our Research Scholars Program gives high school students the chance to design, complete, and publish their own research project.

- **Work with a PhD mentor** – Get personalized, expert support from start to finish.
- **Write a standout research paper** – Develop a polished project that highlights your academic strengths.
- **Submit your work for publication** – Receive guidance to submit to journals, competitions, or conferences.
- **Learn on your schedule** – Meet with your PhD live virtually on a timeframe that fits your availability.

Impress admissions committees — stand out with original research before college.

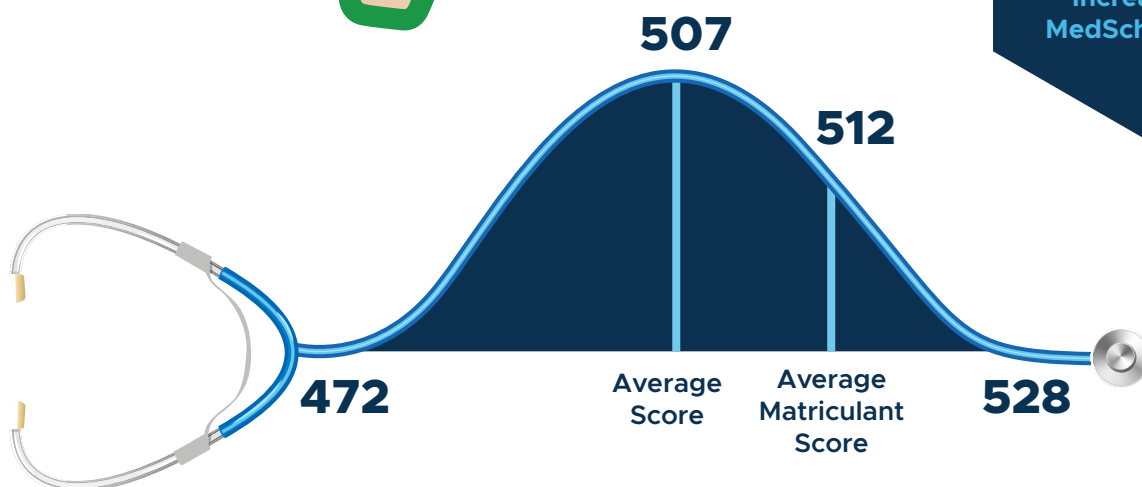

Personalized MCAT Tutoring

Gain Acceptance Guided by **Admissions Committee Experts**

When you enroll with MedSchoolCoach, you work alongside a physician advisor with actual admissions committee experience! Here's a sampling of our advisors:

Kachiu Lee MD

Dr. Lee served on BS/MD, residency, and fellowship admissions committees at Northwestern University Feinberg School of Medicine and Warren Alpert Medical School of Brown University.

Lauren Mayer MD

Dr. Mayer was a student interviewer for the admissions committee at the University of Maryland School of Medicine.

Steven Ruby MD

Dr. Ruby was the admissions committee chair at the University of Connecticut School of Medicine.

Ray Howell MD

Dr. Howell has served on admissions and residency selection committees at multiple educational institutions throughout his career.

Who MedSchoolCoach Helps

High School Students

We help you get accepted into the right pre-med school or direct medical program.

Pre-Med Students

We help you put together an application that will stand out to medical school admissions committees and get you accepted.

Med Students

We help you match into the specialty and residency of your choice.

Invest in Your Medical School Future

MedSchoolCoach has helped thousands of students as they head on their journeys toward becoming a physician. Invest in yourself and we'll help make sure you are doing everything right to get into medical school, residency, and beyond!

HOW MEDSCHOOLCOACH CAN HELP YOU GET ACCEPTED

How MedSchoolCoach Can Help You Get Accepted

 Strategy & Planning Work with top physician advisors to build a personalized path to medical school. From optimizing gap years and coursework to curating standout extracurriculars, we help you position yourself for maximum impact.	 Application Preparation Execute a refined, strategic application with expert support at every step—from selecting schools and managing deadlines to crafting standout submissions and persuasive waitlist letters.	 Essay Writing & Editing Turn your story into a compelling, high-caliber narrative. Our editors and advisors help you shape personal statements and secondaries that capture your strengths and set you apart.	 Interview Preparation Train with physician advisors who've interviewed real candidates. Through mock sessions and targeted feedback, we help you deliver a confident, polished performance in every conversation.

MedSchoolCoach

Boost Your USMLE Score by 37 Points on Average

MedSchoolCoach one-on-one tutoring can help you pass USMLE Step 1 and achieve amazing scores on Step 2 CK, Step 3, and your Shelf Exams, as well as the COMLEX Level 1 and Level 2 exams. Put your trust in our elite tutors.

How MedSchoolCoach Can Help You Improve

Ace the Boards

The USMLE is the most important test of your life, determining the residency you can match into. Our students get huge boosts in their scores so they can match into the speciality and program of their choice.

Get Matched to the Perfect Tutor

Each student is personally matched to a tutor to optimize their likelihood for success. Then, we customize every program so the student can optimize their results.

Study Smarter, Not Harder

We focus on the highest yield topics and strategies to improve USMLE and COMLEX scores.

Be part of the
100% of students
who pass & raise their USMLE scores!

Master the Residency Match

Match where you belong — with real physicians guiding every step.

MedSchoolCoach pairs you with expert Physician Advisors from just about every medical specialty—alongside dedicated Writing Advisors—who work together to craft a standout ERAS application and secure interview invitations at top programs.

Work with real doctors. Perfect your story. Match with success.

**Match Into the
Specialty of Your
Choice:**

97% match rate overall – including IMGs

95% match into one of their top five programs

Craft a Standout ERAS Personal Statement

Your ERAS personal statement is one of the first things program directors read — make it unforgettable. The MedSchoolCoach expert team helps you brainstorm, organize, write, and polish a narrative that highlights your journey and fits your specialty perfectly.

How It Works:

- **Discovery** – We learn your story and goals through our intake process.
- **Brainstorm** – Outline your key themes with your Physician Advisor.
- **Draft & Organize** – Shape your ideas into a compelling story.
- **Edit & Perfect** – Refine wording, fix errors, and finalize with professional Writing Advisors.
- **Submit with Confidence** – Send a statement that leaves a lasting impression.
- **Match into Residency** – Nearly 95% of our students match into one of their top 3 programs.

Ace Your Residency Interviews

Your interview performance is often the deciding factor in the Match. Our real physicians, who have conducted countless residency interviews, prepare you to shine — with realistic practice, instant feedback, and proven strategies to communicate your strengths.

What's Included:

- Realistic mock interviews tailored to your specialty
- Practice answering common and tough questions
- Real-time feedback on your responses and delivery
- Tips to show professionalism, fit, and confidence

Enter every interview polished, prepared, and ready to impress.
